NEW HAMPSHIRE

Together with the report of the
SCHOOL BOARD
and the
VITAL STATISTICS FOR THE YEAR 1970

THE SELECTMEN of the Town of Sunapee proudly dedicate this annual Town Report for 1970 to

FLORENCE P. ROLLINS, R.N.

Mrs. Rollins served the Town of Sunapee as Public Health Nurse and School Nurse for over 30 years. Because she did so many special things for the townspeople, far exceeding her duties as a registered nurse, the townspeople held an open house for her in October, showing their affection and admiration. We take special pride then, in dedicating this report to her.

Mrs. Rollins' report follows:

AFTER THIRTY YEARS...

Thirty years ago, Mr. Frank Mark, who was then President of the Nursing Association asked me to take the position of Public Health and School Nurse. I did so reluctantly, feeling that it might not work out very well. I told him that I would try it for a while and I kept trying for thirty years. I have been deeply rewarded by the interest of the work and my contacts with patients of all ages.

The cooperation of the Board of the Nursing Association, the Sunapee School Board, School personnel, Selectmen, hospitals, doctors and dentists has been greatly appreciated. Dr. John Monro, who lived in Sunapee for many years, took a great interest in the work, helped formulate policies for the school health program and was always helpful with advice and suggestions.

I have seen many changes in nursing over the years. During the first five years, home deliveries were fairly common and though time consuming, were always most satisfying. Sometimes the baby arrived before the doctor but fortunately all thrived and many of them are still living in Sunapee with children of their own. Mothers were kept in bed longer then and bed blocks were used to raise the bed to make it easier for the nurse to care for her. This was fine until one night when we had an earthquake tremor and the poor frightened mother was not going to stay in that bed and did not. More patients were cared for in the home and in studying past records I found several cases who had to have hypodermic injections two or three times a day for weeks.

There is a great deal done today for the health of infants, even before birth—pre-school and school children—with clinics including those for doctor's examinations, immunizations, dental work and men-

tal health besides other specialized clinics for which it is possible to obtain funds for the needy. The Bartlett Fund and Women's Club help with the dental clinics and the hot lunch program. Sunapee Lions Club pays for glasses for needy children. The Salvation Army has also helped in many ways.

All organizations have donated to the Community Christmas Baskets sponsored by the church which has been a pet project of mine for many years. It means so much to many elderly shut-ins or those who are ill, to be remembered.

The Tri-Circle has remembered the children with new warm clothing and toys at Christmas and have collected good out-grown clothing and shoes for the nurse to deliver.

The first combined secretary and treasurer for the Nursing Association was "Aunt" Stella Russell who served for many years and was a great help to me. Later, Mrs. Ruth Ameter became Treasurer and Mrs. Helen Rainey, Secretary. Mrs. Norma Gibson was appointed treasurer during the past year when Ruth retired after several years.

During all these years I have had great courtesy and assistance from all members of the Board.

I especially want to thank the "boys" at Osborne's Garage for their many kindnesses during the years the car was stored there.

I shall miss the work and the contacts I have made but I am very glad that we have found such a well qualified nurse to take over. I wish Mrs. Mary Gonyo, R.N., great success and joy in her work.

Many thanks to all who helped me during the past thirty years and for the wonderful retirement party and gifts in September.

Sincerely,
Florence P. Rollins

TOWN OF SUNAPEE

The year 1970, Sunapee's 203rd, was quite an active one. In this report you will see that several changes have taken place. First of all, the people at Town Meeting granted the Planning Board powers to establish subdivision regulations for our Town. These have been completed and seem to be working quite well.

The Police Department having its own cruiser and one full-time man plus the Chief being full-time has proven to be an asset to our Town. A room in the Town building was refinished for their use. In the near future heat will also be added to this room. Equipment for their office is also on its way. This equipment was acquired by matching funds.

Several land developments are under way in our Town and each proves to be a great help for our economic growth. We have several projects facing us that will be costly, among them are sewer, water and schools. By the year 1975 we will be required by state regulations to do something about the open burning at the town dump. Your selectmen have been looking into this situation and there seem to be a couple of solutions. One could be the incinerator type of complex, the other would be a land fill operation.

Legislation is being entered in this term of the N.H. General Court by the Water Pollution Board asking for funds for our eligible portion of the sew-

er project. The amount they are asking for is roughly 1,300,000. dollars. By eligible portions we mean to say this part of the project the government will help us with.

The water project stands about as it was a year ago at this time. There may be some funds forthcoming. To ease the population growth at the school two more portable classrooms are hoped to be added.

The Ben Mere project to acquire this land for the Town of Sunapee through private donations and Federal Grants for a recreational facility is about to be completed.

The readjustment of land frontage and property values have kept us quite busy all during the year. The Tax Commissioners ruled on several parcels and still have more to do.

In closing, we wish to than all heads of departments for their fine cooperation and assistance. This, your selectmen really appreciate, it helps us to carry out our duties more easily. Any help or suggestions for our common effort would be most welcomed.

Respectfully submitted,

SUNAPEE

REPORT OF WELFARE DEPARTMENT

Our welfare budget shows an overdraft of \$33.57. We are asking for an appropriation of \$2,500. As with many other towns and cities, we are feeling an economic pinch in the area and as a result, there are more families requiring help. This is particularly true of elderly persons who are living on small Social Security checks.

The Sunapee Board of Selectmen signed a contract with Sullivan County this past year to provide surplus government foods for Sunapee residents. The only cost to the town from Sullivan County is for the transportation of the foods.

I have asked Mrs. Joseph Hill and Mrs. Albert Putonen to help me to administer this surplus foods program. They are now in the office six days each week and are available to help persons with the filing out of forms necessary and with the necessary documentation as required. They also prepare the foods for distribution. The two women spend at least one full day per month on their duties in this line. Mrs. Putonen was paid \$2.00 an hour for her help and Mrs. Hill was compensated in her regular pay as secretary to the selectmen.

Since the program started in August, 1970, we have served 17 families with a total of 76 persons. Some families have applied because of illness and others have applied because they have been unable to find enmployment. Some have returned to work and are no longer receiving surplus foods.

I wish to take this time to personally thank Mrs. Hill and Mrs. Putonen for their help with this program and the manner in which they have done their jobs.

TOWN CLERK'S REPORT

During 1970 there were thirty 1969 auto registrations processed and 1,358 processed for 1970 registrations.

Sunapee licensed 90 spayed female dogs, 109 male dogs, 18 females and collected \$34.00 in fines. Three kennel licenses were issued. Dog licenses expire on May 31 of each year. One may license during the month of June or prior to May 31. A fine of \$1.00 is levied for each delinquent license. Spayed dogs and males cost \$2.00 each for licensing and females cost \$5.00.

I also collected \$26.00 for filing fees. These fees are paid by persons wishing to run for office either in the non-partisan town election or for election on the state ballot.

The following monies were collected during	
1969 Auto Registrations	\$410.30
1970 Auto Registrations	18,940.51
Dog Licenses and Fines	558.00
Filing Fees	26.00

Total Receipts	\$19,934.81
Paid Town Treasurer	\$19,934.81

I hereby certify that the above return is correct to the best of my knowledge and belief.

JEAN W. PUTONEN,
Sunapee Town Clerk

BEN MERE PROJECT

The Ben Mere Project has been undertaken by the Planning Board of Sunapee in an effort to acquire a beautiful, centrally-located site which can be used and enjoyed by all people of the town for recreational purposes.

The first part of the effort has been to acquire the land through fund raising and donations with the assistance of state-federal monies. This phase, hopefully, will be successfully concluded very shortly.

After the town owns the land it is hoped that through a series of open meetings, and within our governmental structure, planning and implementation will begin to best meet the desires of our residents of all ages.

SEWER COMMISSION REPORT

The Sewer Commission met with the Selectmen, Water Pollution Board, Anderson & Nichols Co. and corresponded with our Congressmen and Senators during the course of the year to get our sewerage program started.

Federal aid has not been available to the town but we hope to get started with aid of the State in the near future.

The Sewer Commission recommends that the townspeople will bond the town so that the work will not be delayed when money is forthcoming.

Special thanks to Capt. John McGrath for a trip on the MV Mount Sunapee II, for which the proceeds of \$60.00 was donated to the Police Dept. for equipment. Out of this we purchased a search light, a siren, and a shotgun case for the police cruiser.

Special thanks to the Sunapee Grange for money they collected and donated to the Police Dept. for clothing, the amount of \$127.50, from which we have bought to date; 2 rain suits, 2 heavy winter jackets, 1 winter cap, 2 pair safety gloves.

We appreciate your confidence in our Police Department.

We have applied for a grant to the Governor's Crime Commission for filing cabinets, typewriter, recording machine, and other equipment to go into our new police station.

Respectfully Submitted,
BERNIE A. ROSS,
Chief of Police

ENGINEER'S REPORT

Sunapee Fire Dept.

From December 1, 1969 to November 30, 1970, the Fire Department answered a total of 25 alarms of which 20 were in the town of Sunapee. In addition to this there were 4 brush fires.

It is hoped that work will soon be completed on the additional pump on the Tanker Truck with money that was appropriated during the past year.

The Engineers will shortly start working on specifications for a new fire engine to replace Engine 1 which will reach the maximum approval age of 20 years in 1973. We hope to get voter-approval for this engine at the March Town Meeting in 1972.

The department will also be working on plans for its Centennial Celebration set for the summer of 1973.

Respectfully submitted,
DAVID W. SHERBURNE
HENRY W. TROW
CLAUDE E. GARDNER

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

During this past year, the public has shown a great deal of cooperation in the prevention of fires. We wish to express our thanks for a job well done.

Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires, a synopsis of these laws follow.

Fire Permits

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning (*such burning is restricted by regulation to be prior to 9:00 A.M. and after 5 P.M.*).

An Air Pollution regulation forbids the burning of household waste in towns where such rubbish is collected by the town.

Exceptions

Commercial or Industrial burning is allowed under normal conditions with permission of the District Fire Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Remember:

"Only You and I Can Prevent Forest Fires"

PLANNING BOARD

The Town voted to authorize the Planning Board to adopt Subdivision Regulations.

We had two or more meetings every month and spent long hours in search of the best regulations for the Town of Sunapee. We had guests from other Planing Boards and many subdivision regulations of other towns. We finally drafted a proposed set of regulations which we presented to Mr. Blake from the Department of Economic Resources and Mr. Duncan, our legal council, from which we received advise and corrected our proposed regulations.

We presented them to the Town on July 21, 1970, at 8:00 P.M. at an open hearing in the gym. We had approximately 58 people in attendance.

Through much discussion and on consideration of suggestions and proposals we revised our regulations.

July 28th we had an open meeting for the public in the Selectmen's Room and discussed the revisions.

August 3rd we were presented with proposed amendments from the Selectmen for our consideration.

August 11th we had another meeting to discuss and correlate all suggestions and changes.

We finally accepted our present Subdivision Regulations, they were printed, notifications sent ou they were to be in effect September 1, 1970 and circulated.

We are sure that as they are applied there is

more improvement needed, but as we are still very much in the beginning stage this should be considered.

We sent letters to all subdividers requesting they send us a plan of all present subdivisions.

We have had many meetings with property owners where Subdivision Regulations were not applicable. We have had hearings on the following land transfers: Fred Gissler on Penacock Woods, Al Evans acting as agent for Mrs. Chambers, Louis Achilles, Warren Sanborn, Stanley Clark, Noche Goubert on Oakledge, Richard Morrow, Charles Holmes, Donald Bourassa, George Kingsley, Bardon Flanders, Michael Nemcovitch, Richard E. Webb and Kenneth Shaw, agent for Howard Davis.

Rodney Chandler submitted his resignation as his police duty made it difficult to attend meetings. Elwin Nutting was appointed by the Selectmen in his place.

We have had many meetings with the Ben Mere committee and want to highly commend them for all the work they have accomplished.

We have hired Jo Hill to be our secretary as many people turn to her in the town office for information and help in finding abutters and their addresses.

We have met with the Conservation Committee and the Recreation Committee in hopes that we can all strive towards one goal — the betterment of Sunapee.

MARYLOU SMITH
Secretary

INFORMATION BOOTH — 1970

The Sunapee Information Booth opened the last week in June and closed Labor Day night making a season of ten weeks.

Miss Flora Pinney, a former resident of Sunapee, worked alternate hours daily and Mrs. Roxanne Pattenden filled in as our substitute attendant.

We had a total of 3,080 cars, containing 9,598 passengers, stopping for varied types of information with 34 states and 4 Canadian Provinces represented.

Our phone calls totaled 906.

At the end of August this year, Florence Rollins, R.N., retired after serving our community as Public Health Nurse for 30 years.

This school year the Dental Clinic was as usual sponsored by the Sunapee Woman's Club and the Bartlett Fund with matching funds from the state.

This year the New Hampshire Tuberculosis Association gave Heaf Tests to only school personnel with follow-up testing for positive reactors.

The Bartlett Fund, The Salvation Army, and the Lion's Cub have all been very cooperative in assisting with financial aid when needed to help provide for a healthier community.

I would like to thank Florence P. Rollins, R.N., Dr. John Walker, Dr. Chris Armen, school personnel, town officials, members of the Lake Sunapee Nursing Association, and organizations for their interest and cooperation in Sunapee's health program.

Respectfully submitted,

MARY E. GONYO, R.N.

ANNUAL REPORT OF THE SUNAPEE CONSERVATION COMMISSION

During the year 1970 the Conservation Commission spent the majority of the funds appropriated at the last Town Meeting to have maps made of all outlying property owned by the Town. A copy of the maps will be posted in the back of the gym for inspection by all interested voters. Corner bounds were placed where missing and lines were freshly painted and blazed so that any interested citizen may now walk these lines with ease and personally inspect the property. With the aid of Federal Funds, some parts of the Dewey Woods were thinned for better future Forest growth. A start was made towards building a parking lot on the Dewey Woods property as a first step in planning for the greater use and enjoyment of Town-owned property by the public.

We are asking that the sum of \$1,000.00 be appropriated this year in order to finish the parking lot, trail, picnic tables, and toilet facilities on

the Dewey Woods area and also to establish an outdoor ecological and geological classroom for the use of adults and the school.

We have welcomed Mr. Stanley Colby of Georges Mill as a new member. We also welcome Mr. Dana Jackola of the Sunapee Central School as an ex-officio member to help coordinate the work of the Commission with the School Science Dept.

Some members of the Commission should rotate off the Commission this year. If anyone is interested in helping preserve the natural environment of their Town during the coming years of growth, we hope they will let the Selectmen know.

Members of the Conservation Commission:
Richard H. Webb, Chairman
Paul Fortier, Secretary
James Eastman, Treasurer

Report for Year Ending Dec. 31, 1970

Activities conducted in the Library this year included an essay contest sponsored by the Library Trustees in connection with the Library celebration of National Library Week with a large display of books and posters representing all aspects of ecology. There were 22 entries and a prize was given to Dana Hargbol for the best essay.

LIBRARIAN
 Mabel L. Davies

A weekly children's story time during July and August and a children's summer reading club were conducted. The use of a statewide borrowers card became effective July 1st as part of the State-wide Library Development Program in which this library is a participant. The adult fiction was weeded.

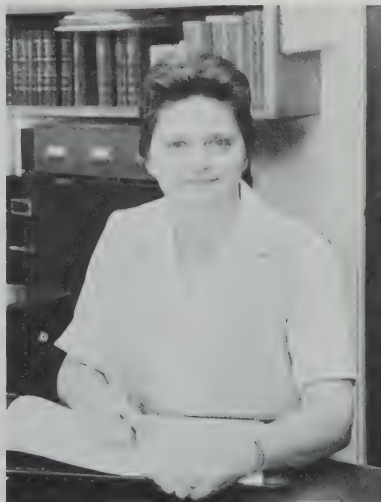

Additions and improvements include the installation of a door slot for the convenience of patrons wishing to return books during hours when the library is not open. A heavy duty vacuum cleaner was purchased and two plaques have been hung in the library—one commemorating the original donor of the library and the other listing bequests and trust funds established.

The library was notified that it will receive a bequest of \$2,500 from the will of Arthur B. Gardner of Bradford, N.H., the interest to be used for the purchase of books and magazines. The library received \$180.00 in donations in memory of Mr. and Mrs. Adam Bridge and also received newspaper clippings and old records from the H. B. Sawyer Estate. The Friends of the Library purchased a new desk chair for the charging desk and also sponsored the annual Art Festival held at Sunapee Harbor on August 8, 1970.

I have attended quarterly meetings of the District Advisory Council and bi-monthly Book Selection meetings and other meetings in various parts of the State in connection with Library work.

I wish to express my appreciation to the Library Trustees for the assistance they have given me.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Sunapee:

Enrollment

The enrollment for the school year 1970-71 is 384, divided as follows:

Elementary	(Grades 1-6) —	185
Junior High	(Grades 7-8) —	66
Senior High	(Grades 9-12) —	133

Total enrollment over the last five years may be of interest:

1966-67	295
1967-68	337
1968-69	354
1969-70	373
1970-71	384

Classroom Space

The progress and status of a permanent solution to school space requirement are covered in the Report to the School Board.

Present enrollments and lack of classroom space to adequately care for them have caused us to recommend some temporary solutions. The size of the junior high grades has made it necessary to go from one to two divisions. To fill this added space need and to better provide for the number in the elementary grades, it is recommended that two additional portable classrooms be obtained. These would be located in the same area as the existing one. They would provide needed relief for several years as we continue to grapple with the best solution for a major building program.

Staff

Last year's budget reduction resulted in giving up physical education and art, and reducing the music service. It was possible to restore part-time art instruction as a result of private contributions.

The proposed budget includes funds for re-instating the physical education and continuing the art position with public funds. To better meet both the numerical and curricula needs for the junior high grades, funds for an additional teacher are included. These are very important, formative years in a student's progress and we need to improve the present instructional pattern at this level to provide a better foundation for Senior High School.

Respectfully submitted,
GORDON B. FLINT
Superintendent of Schools

REPORT OF THE PRINCIPAL SUNAPEE CENTRAL SCHOOL

Superintendent Gordon B. Flint
Newport, New Hampshire

Dear Mr. Flint:

Commencement Exercises for Sunapee High School were held on June 16, 1970. There were 23 graduates: Leonard Adams, Lewis Andrews, Grace Bartlett, Gloria Bol, Baker Boyce, Michael Colby, Lucinda Cutts, Robin Densmore, Richard Gallup, Dawn Gamsby, David Hargbol, Virginia Jones, Raymond Leone, Killoran Livingstone, Laurence Lussier, Kathleen Merrigan, William Morse, Donald Osgood, Patricia Parsons, Penelope Pearson, Carolyn Smith, Matthew Towne and Thomas Webb.

Recipients of Awards during the school year 1969-1970 were as follows:

Sunapee High Alumni Scholarship	BAKER BOYCE
Murvin A. Bailey Citizenship Award	LUCINDA CUTTS
Bausch & Lomb Science Award	ROBIN DENSMORE
Daughters of the American Revolution Citizenship Award	LUCINDA CUTTS
John U. and Della M. Emerson Scholarship	ROBIN DENSMORE
Josten Citizenship Award	ROBIN DENSMORE
Sunapee High School Industrial Arts Award	DONALD OSGOOD
John Segalini Scholarship	DONALD OSGOOD
American Legion Distinguished Achievement Award	LUCINDA CUTTS
Sunapee Fire Department Sports Award	WILLIAM MORSE
Sunapee Woman's Club Award	PATRICIA PARSONS
Sunapee Parent-Teachers Club	LEONARD ADAMS
Sunapee Teachers' Association Scholarship	LUCINDA CUTTS and GRACE BARTLETT
Nathan Johnson Memorial Citizenship Award	VAN WIGGINS

The following students have been elected to the Sunapee High School Honor Society for 1970-1971: Nancy Cutting, John Hokans, Patricia Sorento, Juanita Wiggins, Rosita Wiggins, Sandra Fortier, Andrea Gouse, Marilyn Morse, Mory Pollard and Lynne Tuohy.

The present overcrowded conditions, particularly on the Junior High level, are of increasing concern to me. I hope that we can at least temporarily solve this problem with the addition of portable classrooms.

We hope to revise our system of Driver Education making it possible for all eligible students who wish to elect this course. Classroom instruction would take place before regular school hours in the morning.

Respectfully,
DAVID W. SHERBURNE
Principal

SCHOOL DISTRICT BONDS AND COUPONS

I hereby certify that in my presence and in the presence of School Board Chairman Guy E. Alexander and School Treasurer Dorothy E. Jones, the following bonds and coupons were destroyed by burning:

Interest coupons on Gymnasium-Auditorium Bonds Nos. 91-145 (period 20) and 101-145 (period 21) inclusive.

School Bonds Nos. 46-50 inclusive, May 1, 1970.

Interest coupons on School Bonds Nos. 46-50 (period 20) and Nos. 51-55 (period 21) inclusive.

WILLIAM C. LARY
School District Auditor

SUNAPEE SCHOOL BOARD REPORT

The School Board is still seeking answers to the question put to the Board more than a year ago by voters regarding overcrowding of the present school facilities. To continue the report given last year, we submit the following:

Temporary measures to alleviate the situation have been recommended by the School Board in an Article in the Warrant to purchase two used portable classrooms at a considerable savings in money. This should give us the necessary room for 1971 and 1972, but if the population trend continues as the last five years indicate, other steps will be required.

The School Board has met with several groups in the last year to explain the growing need and problems faced by an expanding school system. This is a town problem and it has been our thought to have the whole town share in helping the Board reach the right conclusions.

One obstacle which should be resolved first is the need for an adequate sewer system that would be acceptable to the Board of Health. It would be a waste of money to build an additional school before the town installs its inevitable sewer system. The cost of an independent sewer system for a school would be extremely expensive to build and maintain.

The Town wisely purchased last year the Long View Terrace property for future school needs. The Board feels that our need for a new school will become more apparent as time goes by and we will try to reflect the best interest of the Town in this and all relating matters.

Respectfully submitted,
GUY ALEXANDER
